

Milestone HOA Community-Wide Leaf Removal

Potomac Garden Center will be doing this year's neighborhood leaf removal. The first visit is scheduled for October 26th through the 28th and the second visit will be scheduled for December 5th through the 7th. Please refer to the attached collection schedule, which shows which day leaf collection will take place on your street. Please be sure to rake your leaves to the curb where the grassy area meets the street. If a vehicle blocks the leaf pile, the leaves will not be picked up. **Leaves should not be raked to the sidewalk until the day before the scheduled pick up and no later than 8:00 am on the day of the pick-up.** This leaf removal service will NOT happen if it rains, as Potomac Garden Center cannot effectively remove leaves when they are wet, so the pick-ups will be delayed according to the weather, but if this happens, PGC will return as soon as they possibly can to complete the removal. Management will also keep you informed via community Eblasts and on the website at www.milestonehoa.net
